"It is important for clients and prospects to understand that I am not there to "sell" them anything, but rather assist them in arranging their financial matters in accordance with their desires. When it comes to a particular product, I show several options, point out the pros and cons of each and let them make their own decisions. I want my clients to feel that I was able to help them find a solution to their needs and help them reach their goals."

Tim Dwyer

Timothy F. Dwyer has been a financial professional for twenty-four years. Prior to joining the financial services industry, Tim spent six years with GTE Sylvania in the Consumer Products Division.

Tim obtained his Bachelor of Science degree in Business Administration from Villanova University in 1975 and an MBA in Financial Management from Drexel University in 1980. He successfully completed the CERTIFIED FINANCIAL PLANNER™ curriculum in 1995.

Tim works in the retirement arena helping individuals who are preparing to retire or have already retired develop financial strategies. He offers strategies to help them protect their assets from excessive medical costs in the event of a serious illness or injury. Tim also works with many professionals helping them accumulate and protect assets. Tim's philosophy is that your income is your most important asset and trying to protect it is of the utmost importance. Life and disability income insurance can be crucial to your financial plan.

Some of Tim's many accomplishments include a prestigious Million Dollar Round Table (MDRT) Qualifier and a seven time Premier Club qualifier with the Principal Financial Group.

Tim lives in the Chestnut Hill section of Philadelphia with his wife Marianne and seven children. Tim is very involved in his parish church and community. He was formerly the Athletic Director of Our Mother of Consolation CYO and a coach for several of their basketball teams. He is the winner of the God and Youth Award for 2004 from the Archdiocese of Philadelphia CYO for "Service to Catholic Youth Through Athletics."
